A NETWORK OF WORLD CLASS GOLF VENUES
Welcome to European Tour Properties. We are a Network of World Class Golf Venues, all of which have a close association with The European Tour, one of the game’s leading global sporting organisations.

European Tour Properties has had a long association with high quality venues in diverse locations and in 2009 London Golf Club was announced as the first European Tour Destination. Since then, through a swift and structured evolution, we have become an integral part of The European Tour Group and we have cultivated an influential and internationally-recognised network spanning across Europe, through the Middle East and into South East Asia.

We are proud to present a collection of Member Venues that all boast the hallmark of tournament-quality courses and offer extensive off-course facilities guaranteed to provide a memorable golfing experience for members and visitors alike. Many of them are close to famous cities and all offer a wealth of golf, leisure and accommodation choices.

For those seeking the ultimate golfing lifestyle, a number of our Member Venues offer elegant and secluded real-estate opportunities, and our reciprocal membership scheme offers a “home-from-home” experience for all club members.
The European Tour is committed to celebrating the game of golf from the origins of the professional game, building a proud history of achievement, sportsmanship and integrity as well as showcasing our diverse global talent and rich landscapes. The European Tour’s innovative approach enables it to embrace the world, combining championships of tradition with new tournaments in the cities and countries of the future.

The European Tour International schedule, the Race To Dubai, is a thriving brand featuring tournaments across five continents. It is the centrepiece of a wider offering that also includes the European Challenge Tour, focused on the up and coming players of the future, and the European Senior Tour, which provides a new opportunity for some of the game’s greatest names beyond their 50th birthday.

The European Tour’s corporate identity features the iconic silhouette of six-time Open Champion Harry Vardon, who gives his name to the trophy presented to the number one golfer on The European Tour each year. This identity runs through all of the European Tour Properties designations, ensuring that our venues remain closely aligned with golf at its most elite level.
