In the event of a delay in completing the First Stage, applicants are advised that the Saturday after the scheduled dates of each Section may be used as a full playing day in order to complete the relevant Section.

Applicants should indicate on the attached application form their **venue preferences** in order from 1 to 4. An Applicant may select both venues in any Section provided that a maximum of only four venues are selected in total. The European Tour will take account of each applicant's venue preference where possible but **the primary objective is to balance the number of applicants playing at each venue**. In the event of any venue being oversubscribed, priority will initially be determined by the payment date of the entry fee. **For Asia, the first 78 paid up entries received by the European Tour will be allocated to that venue. For European venues, first 102 paid up entries received by the European Tour for each venue will be allocated to that venue.** Thereafter, applicants will be allocated the venue which is highest in their list of preferences and which has availability at the time the application form and payment are received. **Field sizes will be restricted to a maximum of 78 players in Asia and 102 players at each venue in Europe.**

Should the number of entries for any First Stage venue be **less than 40**, the European Tour reserves the right to **cancel this venue** no later than the close of entries deadline. Entrants will be given the option to transfer to an alternative venue (as determined by the European Tour) or will be given a refund of their entry fee. Entrants will not be given the option to transfer to a venue which is already at full capacity as per the field size limitations above.

After 54 holes of each **First Stage** tournament, only those players within **7 shots** of the final qualifying place will be permitted to contest the final round. The number of players who are able to qualify for the **Second Stage** will be announced as soon as is reasonably possible once all the participants have teed off in the first round of the appropriate Section. ## 8. METHODS OF PAYMENT AND PAYMENT ADVICE

When considering entering the European Tour Qualifying School it is vital to organise the method of payment of the entry fee in advance as an application for entry will not be processed until the full payment of €1,800 (or the Sterling equivalent of £1,550) has been received as cleared funds by the European Tour.

**The following methods of payment are acceptable:**

- 1) Credit or Debit Card** - The preferred method of payment is by credit card for which there is no administration charge. The following card types are accepted: VISA / MASTERCARD / AMERICAN EXPRESS.

It is acceptable for a third party (eg. sponsor, partner) to pay on behalf of the applicant. If this is the case, their address as listed on their credit card statements must be supplied.

**VERY IMPORTANT: The applicant must ensure that the credit card account has the funds available and should check the card limit with the credit card company if in any doubt.**

Delays in receipt of payment could result in failure for the applicant to be allocated to his preferred venue and the application will not be accepted until cleared funds are received by the European Tour. Once payment has been received, the European Tour will issue a receipt to each applicant advising the exact date when the funds were collected from the credit or debit card account.

In the event of any problems being experienced with credit or debit card payments the applicant should contact the Qualifying School Entries Administrator (Pete Lockett)

Email: [qs@europeantour.com](mailto:qs@europeantour.com) or telephone: +44 (0) 1344 840448.

**Please remember that the onus is on the applicant to ensure that his entry fee payment is not delayed.**

**Please note that payment is not possible with cash or by cheque.**

## 9. GENERAL POLICY

The European Tour reserves the right to reject an application for entry at any time. Conduct unbecoming a professional or non-competitive performance during a previous Qualifying School can be a basis for the rejection of an application to enter.
