PACE OF PLAY POLICY

Players at all venues are advised to note carefully the provisions of the Tour's Pace of Play policy printed on the European Tour "Hard Card".

Because of the large entry and the growing restrictions of daylight, referees will be instructed to **time any group which is both over their allotted time and out of position with the group in front.**

Players must recognise their obligation to keep tight up to the group in front (not ahead of the group behind).

Please assist us to keep play moving for the benefit of everyone by:

- a) being ready to play when it is your turn
- b) keeping within the per stroke limits
- c) playing provisional balls when necessary or advisable
- d) adopting Rule 3-3 (Doubt as to Procedure) if needed

Tour policy on pace of play is that **we do not warn groups before we time them.** All players are expected to know when their group is out of position and assume that they are being timed.

Please note that the Pace of Play penalties are amended as follows:-

One bad time	-	Verbal warning from Official.
Two bad times	-	One stroke penalty and £250 fine
Three bad times	-	Two stroke penalty and £500 fine
Four bad times	-	Disqualification

In addition, **a player who has been timed on 3 separate occasions** (or more) during an event but has not breached the above regulations will incur a fine of €345 (£300). A player who has already been penalised under the above conditions will not be liable for any further penalty.
