# BMW PGA CHAMPIONSHIP

A Rolex Series Event

The BMW PGA Championship will return to Wentworth in September in the final qualifying event before selection of the Ryder Cup 2021 team.

You can experience the BMW PGA Championship in style, with a variety of elevated premium hospitality experiences on offer. Enjoy premium dining options in the iconic Wentworth Clubhouse with The Ballroom package, be at the heart of the atmosphere in the more informal Village Pavilion, or experience the best view in the house with the Green on 18 facility.

# THE EVENT

The BMW PGA Championship was founded in 1955 by the Professional Golfers' Association and was originally named The British PGA Championship.

The event's rich heritage and tradition has been seamlessly elevated with its inclusion in the Rolex Series, of which it is the third of four unmissable sporting occasions in 2021.

The Championship has been staged annually in several prestigious locations,

but has remained at the iconic Wentworth club since 1972. Winners of this tournament include many golfing legends including Sir Nick Faldo and Seve Ballesteros whose clubs hang in Wentworth Clubhouse's hall of fame.

Wentworth Club, one of the world's most impressive tournament venues with over 90 years' hosting experience, is a golfing haven based less than one hour from central London in Virginia Water.
